

Serial No.: 10/684,417
Docket No.: 102-1001
Amendment dated: March 2, 2007
Reply to the Final Office Action of January 3, 2007

REMARKS

Introduction

Upon entry of the foregoing amendment, claims 1-25 are pending in the application. Claims 1-25 have been allowed, and claims 26 and 27 have been cancelled. No new matter is being presented. In view of the following remarks, reconsideration and allowance of all the pending claims are requested.

Entry of this Amendment is proper under 37 C.F.R. §1.116 because the claim amendments: (a) place this application in condition for allowance (for the reasons discussed herein), (b) do not raise any new issues requiring further search and/or consideration (since the amendments amplify issues previously discussed throughout prosecution as indicated in the Final Office Action), (c) present the rejected claims in better form for consideration on appeal (should an appeal be necessary), and (d) are necessary and were not earlier presented because they are made in response to arguments raised in the Final Office Action.

Accordingly, for at least the reasons discussed above, entry of this Amendment is respectfully requested.

Objection to claim 26:

It is respectfully submitted that independent claim 26 has been cancelled, and therefore the objection to this claim is rendered moot.

Rejection under 35 USC §102(b): Morita:

Claims 26 and 27 have been rejected under 35 U.S.C. §102(b) as being anticipated by U.S. Patent No. 5,265,869 to Morita. Applicant respectfully submits that independent claims 26 and 27 have been cancelled, rendering this rejection moot and placing this application in condition for allowance.
